

Our families set patterns that we never fully escape. As a younger sister, my older sister was my biggest role model, the yardstick that I measured myself against, and the influence that I found hard to shake off. Even as we have grown into best friends at middle age, I can see how I fall into the patterns of “kid sister” with not only her but other women as well. *Sister Cycle* is an ongoing project that tells that story.

Sister Cycle

Modern with female duet, supporting female trio, plus large ensemble

Music: Béla Fleck, *First Light*, *System Seven*, *Circus of Regrets*, *The Landing*, *Three Bridges Home*

Run Time: 21:00 minutes (approx.)
